Lines On Signs

Art Kit Number 2

Description

Art-Lit to Go! is an innovative Iowa 4-H program that supports the development of art and literacy skills for K-3 children. This informal education is designed to teach children a basic understanding of the foundational art elements if line, shape, color, form, and texture through integrated art-literacy activities. In addition, this exciting research-based program is designed to support the National Core Arts Standards and the Common Core English Language Arts Standards.
