

Iowa Brown Swiss Association Share-A-Heifer

The Iowa Brown Swiss Association is again sponsoring the Share-A-Heifer Program.

This is a program in which a recipient is chosen and a young Brown Swiss Heifer is placed in their care. The animals are to be carried as a 4-H project and shown at the local county fair. If possible, it can also be shown at the Brown Swiss Canton (District) Show and at the Iowa State Fair or any other 4-H or FFA shows.

The recipient needs to have a place to house the animal and enough feed to raise the heifer to adequate size for the state sale in two years. The heifer will also need to be bred to calve just after the State Brown Swiss Sale in which she will be sold. The sale is usually held the second Saturday of March in West Union.

The recipient will also be required to provide insurance as stated in the application.

Anyone interested in this project should contact one of the committee members by March 15, 2007.
