

😊 CLOVER KIDS 101 😊

Is your activity appropriate for your group?

- ☘ Does the activity fit the interests of the children in the group?
- ☘ Can the activity be set up so large numbers of children are involved and entertained or is it more suitable for individuals.
- ☘ Do the children have to wait a long time for a turn at the activity? Can I eliminate some wait time?
- ☘ Does the activity involve the children **DOING** or **WATCHING** someone else do?
(Limit watching activities)
- ☘ Does the activity fit the attention span of the group? If not, can it be broken down into smaller steps?
- ☘ Is the activity challenging enough without being frustrating?
- ☘ Is the activity non-competitive?
- ☘ Do I have the appropriate accommodations for this activity? (Think through each aspect from getting to the activity to transitions to clean up!)
- ☘ Are there physical or emotional issues that would prevent anyone from participating in the activity?
- ☘ Does the activity allow youth to experience success?
- ☘ Is the activity fun?
- ☘ Can I process this activity to include Experiential Learning?
- ☘ Does the activity respect the children's individuality while participating in the group?
