2009 State Match Rules Wildlife

- Counties do not need to have a wildlife discipline instructor in order for their youth to compete in this event.
- Youth registered for this event will need to come to the registration desk between 10:00 a.m. and 1 p.m. to take a written exam.
- The written exam will have 3 general components: wildlife identification, decision-making skills, and hunting skills.
- The majority of questions and information will come out of the NRA book entitled The Hunter's Guide.

All questions and rulings will be the responsibility of the match director and designated match personnel.
