

# 4-H MEAT GOAT PROJECT

## Step It Up!

Pass it on! Now that you know how, share it with others. Here are ideas to get you started.

### Communication

- Design a poster on parts of the animal
- Participate in a judging contest giving oral reasons
- Explain the cuts of meat and how to prepare them

### Citizenship

- Volunteer your goat for a community petting zoo
- Hand out food samples at your local grocery store
- Volunteer to help at the county fair market goat weigh-in

### Leadership

- Invite other 4-H members to tour your farm
- Teach others how to safely handle goats
- Lead a meat goat selection and feeding clinic

**4-H**  
GROWING TOGETHER

## Are You Into It?

In the meat goat project you can learn about breeds, health care, grooming, production, reproduction, management, showmanship, marketing, and careers! Learn about the fastest growing livestock project area in the country!

- Learn the basic principles of animal science by owning, caring for, and keeping records on one or more head of livestock
- Gain knowledge of sound breeding, feeding, and management practices
- Identify quality in wholesale and retail cuts of meat to understand the relationship to management principles

## Here's what you can do all year!
