Iowa 4-H camping experiences give kids
• A safe outdoor environment for learning, having fun, and being creative
• A chance to be with caring, trained adults
• A living-learning community
  - Resident camps where kids stay overnight in cabins, tents, or under the stars
  - Day camps where outdoor creativity, activity and learning take place over the course of several days
• Group and individual time to have fun and learn together
• A learning “laboratory” to practice life skills while exploring nature

Make your camp the best it can be:
