

Iowa 4-H Center - Day Camp 2009

Weekly sessions begin June 8th for boys & girls 6-10 years old. Multiple week & 4-H membership discounts available. Days are filled with swimming lessons, crafts, weekly theme activities, lunch & snacks, free swim, rest time, and group games.

Week 1: June 8-12

The 4-H Camp can be a mysterious place! Each day campers will set out to discover clues that will help them solve a great mystery at the end of the week. Can you figure it out? What's that? Who done it? Where are we? Become a detective, discover new places, and have fun in a traditional camp setting.

Mystery Week

Week 2: June 15-19

Enjoy a week full of games and activities that focus on having fun, developing sportsmanship, and learning to be a team player. You'll enjoy old and new games alike, from Squirrel Tag to Drip-Drip-Drop.

Games Galore

Week 3: June 22-26

Brighten your summer with a week full of colorful camp activities. Each day we will pick a different color of the rainbow and explore crafts, games, songs, activities, and food with that color.

Color My World

Week 4: July 6-10

Hullabaloo you say? That's just a fancy word for celebration! We'll celebrate April Fools Day, Make A Difference Day, and Flag Day. We'll make up holidays too, like Kid's Day, Silly Hat Day, Smile Day, and more.

Holiday Hullabaloo

Week 5: July 13-17

Slimy, gooey concoctions from fun and exciting experiments will be the focus. Campers will learn about nature, science, and even create a few kooky inventions. Be ready for an entire week of slippery, sticky, silly good times.

Mad Scientist

Week 6: July 20-24

The Camp America international summer staff can't wait to spend time with the day campers this week to teach them about the countries they come from. Learn new games, songs, dances, food, crafts, and language from far-off places.

International Week

Week 7: July 27-31

It's back to the basics this week as day campers learn to "live off the land." Cook outdoors, nap in tents, have picnics, and build shelters. We'll also go creek stumping, visit the archery range, and learn wilderness first aid skills.

Survivor Challenge

Week 8: August 3-7

Lots of crazy critters, creepy crawlers, and furry friends live at camp. We'll explore the wildlife around us with hikes in the woods, walks in the creek, and play around the camp pond. Other animals also will come to visit us at camp so we can learn more about them.

Wild Kingdom

Day Camp Plus

If you don't want your week of day camp to end we have two weeks this summer when you can sign up to spend the night at camp on Friday after day camp has ended.
