CHAPERONE
Application and Job Description

Why do I have to apply? Because we have so many terrific 4-H volunteers who are willing to spend a week in our Nation’s capitol with a group of teenagers! Overall we want to select and put in place a chaperone team for the trip that covers the spectrum of talents and skills needed to support a fun, safe and educational experience. The selection of chaperones will be made late November early December pending a Volunteer Background Check.

When:
- June 5 – 13, 2015

Chaperone Cost:
- Chaperones registration fee is $775. It will be split into two payments of $387.50. Payments will be due February 1-2015 and April 1-2015.
- CWF/Conference Registration Services will send you a bill.

Expectations of Chaperones:
- Attend a CWF Orientation session prior to departure.
- Supervise youth participants on the bus and on field trips in Indianapolis, IN, Gettysburg, PA and Washington, D.C., at the National 4-H Center, and on any other outings as needed during the trip.
- Enforce the rules and code of conduct and follow the CWF dress code (business casual or dressy attire for most activities)
- Participate in all activities with the group.
- Abstain from alcohol and tobacco use while in the presence of participants, at the 4-H Center, on the bus, and on organized excursions.
- Serve as a role model for delegates and work with delegates to ensure an enjoyable learning experience.
- Encourage delegates to continue thinking about ways to use the CWF experience and information to strengthen 4-H programs back home; help publicize our group’s participation in CWF.
