RULES

1.  General Livestock Rules and Regulations and 4-H General Rules and Regulations apply in this department.

2.  Entries are open to dogs identified in 4hOnline as 4-H projects by May 15 of the current year that meet the division and class qualifications.

3.  The fee of $2 per class entered must be paid with the entry.

4.  HEALTH REQUIREMENTS - Must bring current Rabies Certificate or an official Certificate of Veterinarian Inspection with the rabies certificate number listed and date of vaccination to the Fair.

5.  HOUSING cannot be provided on the Fairgrounds for dog entries; thus, exhibitors should plan to arrive Sunday morning and will be released at the completion of their classes.

6.  CHECK-IN PROCEDURES will begin at 7:00 a.m. and will continue until 8:30 a.m. This procedure will include checking class entries, veterinarian inspection and checking Rabies Certificate. Exhibitors should report to the Dog Show Office with their dogs for this processing. They will receive exhibitor number and exhibitor t-shirt at check-in.

7.  EXHIBITOR CONDUCT - exhibitors shall not strike dogs nor use any other unnecessarily harsh physical means of disciplining dogs. The exhibitor must be ready when the class is called.

8.  EXHIBITOR DRESS - State Fair exhibitor’s t-shirt or white blouse or shirt with blue, black or khaki jeans, slacks or dress shorts (no athletic shorts or short shorts). No caps or hats are allowed in the show ring. It is recommended that exhibitors wear tie shoes, no sandals or slip on shoes.

9.  EQUIPMENT - All dogs must be leashed or crated while waiting for their class to be called. Dog owners will provide their own water pan and food. The use of choke chains and buckle collars in obedience and show leads in handling are to be used while showing. No prong or pinch collars, gentle leaders or harnesses will be used in the show rings at any time.

10.  Any bitch in season or nursing may not be shown.

11.  Dogs are to be shown by the 4-H member.

12.  Exhibitor and dog experience determine class level. State Fair classes may vary from County Fair classes. Show scores from the previous year’s Iowa State Fair 4-H Dog Show will be used to determine class level along with experience of the exhibitor and dog. **Years completed include the current year and all previous years a dog was shown.** A qualifying score is achieved when an exhibitor earns 170 points (out of 200 points) or more and achieves 50% of the points or better for each exercise in his/her class. When an exhibitor achieves this standard he/she must advance to the next class with the exception of Novice B, Graduate Novice B and Open B. However, an exhibitor may advance to the next level without a qualifying score (see class description). An exhibitor who does not achieve a qualifying score may remain in the same class for the following year; the only exception to this is for Pre-Novice “A” exhibitors who must advance to Pre-Novice “B” the next year.

13.  **This is NOT an AKC sanctioned dog show.** AKC rules have been used as guidelines; however, some class descriptions may differ from AKC. It is recommended that youth attend an AKC show or obtain a copy of their rules prior to exhibiting at the Iowa State Fair. This will assist exhibitors in knowing and understanding some of the expectations of a dog show. In accordance with AKC guidelines, bating is not allowed. Any bating will result in a severe scoring penalty.

14.  All exhibitors should note that dogs belonging to the general public are not allowed on the Iowa State Fairgrounds. If individuals question you about this policy, please inform them that you are a 4-H exhibitor and that you and your dog are here for the 4-H Dog Show.

15.  If you are to be exhibiting in a handling and an obedience class (including rally) at the same time, the handling class has precedence. Let the ring steward in your obedience/rally ring know where you are. Show times are estimated. Exhibitors are responsible for checking with both ring stewards for actual show times. Judges do not have to hold up classes for a single exhibitor.

16.  No practicing will be allowed in the show rings.

17.  No food or bait is allowed in the obedience/rally rings.

18.  No harsh or excessive corrections are to be made on the grounds.

19.  Premiums - A total of $1000 will be prorated on the ratio of 5, 4, 3 and 2 or purple, blue, red and white award groups in the Obedience Division.

20.  Jumps - Jumps will be measured at shoulder height (withers) for the classes listed below.

**Obedience - Division 30**

1.  Entries in this division are open to purebred or mixed breed dogs which are owned by the exhibitor or in partnership with parent or guardian. In all cases, the dog is to have been trained, cared for and managed by the exhibitor.

2.  Titled dogs may be entered only in classes above their title. The exception is if the dog has earned the CD title during the current project year. That dog may be exhibited in 3005 (Novice B) and/or class 3006 or 3007. If a dog has earned its CDX within the current project year, that dog may be exhibited in class 3009 (Open B), 3010 and/or 3011. CD and CDX refer to American Kennel Club, United Kennel Club and/or AMBOR degrees.

3.  There are no limits on the number of dogs exhibited. However, each dog may enter only one obedience class and each exhibitor may only enter one rally class.

4.  4-H exhibitors may only have one entry in each obedience class, except where noted under each class description.
5. Ribbons will be awarded in classes 3001-3003 as follows:
   - Purple 150-160 points
   - Blue 130-149 1/2 points
