Extension Program Specialist III
Healthy Living Specialist
4-H Youth Development

The Department of 4-H Youth Development with Iowa State University Extension and Outreach is seeking qualified candidates for an Extension Program Specialist III position – 4-H Healthy Living Specialist.

The Extension Program Specialist will provide leadership and direction for the Iowa 4-H Youth Development Healthy Living priority topic area, guiding development, implementation, evaluation and capacity building related to quality K-12 Healthy Living programming. The Extension Program Specialist will be responsible for implementing and aligning healthy living programming as it relates to the Iowa 4-H Program Priorities and Equation; identifying and developing curricula along with curricula delivery strategies; and preparing and delivering training to staff, volunteers, and partners. This position will also be active in promoting the adoption, implementation and dissemination of the evidence-based School Wellness Integration Targeting Children's Health (SWITCH) elementary age Healthy Living program across the state of Iowa.

Required Education and Experience: Bachelor’s degree and 4 years experience OR a Master’s degree and years experience.

To ensure full consideration, submit applications by March 5, 2017.
