It’s time for DuPont Pioneer Seed Grants for Spring 2015. We are accepting grants for Spring 2015 from now through April 1. Applications should be turned into County Extension Offices by March 15 and then forwarded with their support by the April 1 deadline.

You can find information, tips for applicants, and applications for these grants on the Iowa 4-H website at: http://www.extension.iastate.edu/4h/pioneergrants. **VOLUNTEERS & JUDGES**

**Volunteer: Iowa State Fair Little Hands on the Farm**

I would like to invite your club or county to participate in a shift of volunteers at Little Hands on the Farm. As a participant, your club or county would commit to providing the volunteers for the exhibit for an entire shift. In return we would list the name of your club or county on the entrance and exit gates of Little Hands on the Farm along with listing your club or county on the Iowa State Fair website as a volunteer group.

The Iowa State Fair Little Hands on the Farm provides children ages 2 to 10 the chance to get involved with agriculture as farmers on this mock farm. They plant and harvest products, earn money at the market for their work, and then buy food at the grocery store. The children are asked to do chores on the farm, ranging from gathering an egg from the chicken coop, to planting a carrot or onion seed, then digging up an artificial vegetable, or picking an apple off a tree. They also get the chance to feed and milk a cow and drive a pedal tractor. The program helps kids connect to agriculture by teaching them in an entertaining and interactive way.

This would be a great team building activity for your entire club or county. Little Hands on the Farm offers your club or county entertainment along with being involved with the best Fair in the nation, the great Iowa State Fair. The Iowa State Fair has been a proud tradition since 1854. It is the country’s most famous state fair and Iowa’s largest tourism event with well over 1 million visitors per year.

The 2015 Iowa State Fair is August 13-23. In order for the exhibit to run as smoothly as possible, it is necessary to have a minimum 30 volunteers at the exhibit at all times. Little Hands on the Farm is open daily from 9 a.m. to 8 p.m. and would need to be staffed from 8:30 a.m. to 8 p.m. each day. Each day is divided into three shifts. Volunteers would receive one admission ticket, one vehicle permit and a Little Hands on the Farm volunteer t-shirt.

Shifts are filling up quickly so if you would like further information on what days and shifts are still available, please contact me at Emily Wynn; 515. 401.1544; [ebrewer@iowastatefair.org](mailto:ebrewer@iowastatefair.org)

(Feb23/Feb25) **IACEC Legislative Day Information—Attn: Club Leaders**

IACEC Invites 4-H’ers to join in their Legislative Day! The Iowa Association of County Extension Councils has set its legislative day for Wednesday, February 25, 2015. Youth staff members planning 4-H excursions to the Capitol are invited to join in this event. IACEC will reimburse drivers with three or more participants in their vehicle $50 to help cover mileage expenses (a voucher will be available at the event).
The day will start at the Wallace Building (just north of the Capitol) with registration and refreshments at 9:30 a.m. Participants will be briefed on the issues important to ISU Extension & Outreach and will be coached on how to talk with their legislators about the issues. Following the brief training, the group will proceed to the Capitol to visit with their legislators. Attendees are typically done by noon, allowing time for county and regional staff to plan tours of the Capitol, meals with their legislators, and/or visits to the nearby Historical Building and Iowa Judicial Branch (Supreme Court) building for their groups. You will find links to information about these additional opportunities on the IACEC website: http://www.iacec.info/inside-iacec-government-relations#Additional Activities.

All attendees are encouraged to wear red to make a bigger impact for ISUEO around the Capitol rotunda. Pre-register your group using the online form or by emailing IACEC Executive Director Terry Maloy. If registering via email, please make sure you include your county name, the names of all of your participants, and note that they are 4-H’ers. There is NO COST to participate in this IACEC activity.

Additional information to help prepare your group for the legislative day can be found on the IACEC website under the Government Relations tab. Please contact Terry Maloy if you have any questions.

The 2015 Iowa 4-H State Volunteer Retreat is scheduled for February 6 and 7 and registration is now open! Volunteers, staff, and 4-H members in 7th through 12th grades (youth should be involved in leadership at project, club, or county level) are invited to attend this annual event! The Retreat is designed as a train-the-trainer event and participants are encouraged to use information from the sessions to teach 4-H members in their clubs and counties.

Friday evening's session is at the Extension 4-H Youth Building located at the corner of 13th Street and Stange Road on the north side of campus in Ames. Saturday morning's sessions are at the Memorial Union and afternoon sessions are at various locations around campus. We will provide transportation for off-site afternoon sessions.

Registration is FREE! The annual State Volunteer Retreat is planned and implemented by a committee of 4-H volunteers and sponsored by ISU Extension and Outreach 4-H. Thanks to the many volunteers and ISU staff and faculty who will lead the workshops.

Relax, enjoy, and have fun, while gaining knowledge to take back home to share with others. We look forward to seeing you at the Iowa 4-H Volunteer Retreat as we learn how to Keep Soaring With 4-H!

FOUNDATION
“30k for 30 years” – 4-H’ers for 4-H Campaign
The 2015 4-H’ers for 4-H Campaign is now underway! The State 4-H Council Finance Committee has made it their goal to raise $30,3030.30 for Iowa 4-H’ers. Contributions raised through this campaign support the State 4-H Youth Conference, facility improvements at the Iowa 4-H Center, and financial aid for 4-H program fees and event registrations. A letter to club leaders is now available and more information can be found online.

Club Donation Forms and contributions can be sent directly to the Iowa 4-H Foundation or delivered to county offices by May 15. If you have a preference, please communicate it to your club leaders. Counties collecting donations should use the County Summary Sheet to document each club’s gift. Each of those sheets can be found online.

Why support this campaign? Approximately one-third of the funds support the State 4-H Council program, which in turn provides the Iowa 4-H Youth Conference experience for your 8-12th grade 4-H’ers. Almost half of the funds are distributed back to 4-H members in the counties in the form of scholarships for out-of-county 4-H experiences and financial assistance to help cover program development fee costs.

There were 81 counties that participated in last year’s campaign. The State 4-H Council would like to see 100% participation. Last year’s winners are posted on our web page. Thank you in advance for supporting the State 4-H Council Finance Committee and their efforts “to make the best better!” (Albert Grunenwald, abgrunen@iastate.edu, 515-294-4780; Ashley Kinkade, kinkadea@iastate.edu).
