Spring 2015 DuPont Pioneer Seed Grants for Community Improvement Projects
It’s time for DuPont Pioneer Seed Grants for Spring 2015. We are accepting grants for Spring 2015 from now through April 1. Applications should be turned into County Extension Offices by March 15 and then forwarded with their support by the April 1 deadline.

You can find information, tips for applicants, and applications for these grants on the Iowa 4-H website at: http://www.extension.iastate.edu/4h/pioneergrants. Grants will be awarded for anywhere from $50 to $500 but typically will not exceed half of the cost of the total project as groups are encouraged to work at obtaining local support as a match. Successful projects are those that enlist partnerships with other community entities, demonstrate engagement by the full 4-H club, and make a positive impact on the community. Send questions regarding the DuPont Pioneer Seed Grants to Brenda Allen at bsallen@iastate.edu.

Awards for Fall 2014 applicants will be distributed in the coming weeks.

**2015 Roundup Update**
Some really big changes are happening for this year’s Animal Science Roundup held in conjunction with the annual State 4-H Conference on June 30 – July 2. This year, each Roundup species (beef, dairy cattle, horse, sheep, swine) will be limited to the first 20 applicants for each species. Applications for youth will be posted soon and due March 1. Those youth not selected for Roundup will still be encouraged to attend the regular State 4-H Conference delegation as there are some ag-related workshops for that as well.

**2015 Equine Extravaganza**
The 2015 4-H Youth Equine Extravaganza is a newly combined event of the Youth Horse Jamboree (typically held in late March) and the State Horse Judging Contest (typically held in November) that will be held at the Equine Center at Ellsworth Community College in Iowa Falls. We hope that this will increase participation for all of the variety of equine events that youth can participate in. Look for more information on entry deadlines and processes coming soon on the Horse Jamboree website. There are a couple of blocks set up at the AmericInn and Super 8 in Iowa Falls, under the 4-H Horse name for team coaches to reserve.

**2015 Livestock Health Requirements – Now Posted!**
The 2015 Livestock Health Requirements are now posted on the 4-H Livestock homepage, under the “4-H Resources” column (right side). There are no changes for 2015 from last year, but it’s good to review these with your fair boards and encourage your 4-H families to read them.

**2015 Swine Health Informational Materials**
Newly updated documents are available on the 4-H Swine page, under “Swine Show Health Info.” and under the PEDV section. These are help sheets and best practices as counties consider their plan for spring swine weigh-ins and also biosecurity measures during the fair.

**New Animal Care & Disclosure Statement (Drug Affidavit) Requirement - Clarification**
A clarification on the new requirement for drug affidavits for county and state fair animals – these are for market animals that will be going to a slaughter facility; market beef, market sheep, market swine, for example. Poultry, rabbits, dairy cattle, meat goats, etc. logically would not need a drug affidavit. ***Note: If your county fair will be doing any drug residue testing, then drug affidavits are a must even if the animals are not going directly to slaughter. All current drug affidavits can be found on the State Fair 4-H Livestock page.

**VOLUNTEERS & JUDGES**

**Volunteer: Iowa State Fair Little Hands on the Farm**
I would like to invite your club or county to participate in a shift of volunteers at Little Hands on the Farm. As a participant, your club or county would commit to providing the volunteers for the exhibit for an entire shift. In return we would list the name of your club or county on the entrance and exit gates of Little Hands on the Farm along with listing your club or county on the Iowa State Fair website as a volunteer group.

The Iowa State Fair Little Hands on the Farm provides children ages 2 to 10 the chance to get involved with agriculture as farmers on this mock farm. They plant and harvest products, earn money at the market for their work, and then buy food at the grocery store. The children are asked to do chores on the farm, ranging from gathering an egg from the chicken coop, to planting a carrot or onion seed, then digging up an artificial vegetable, or picking an apple off a tree. They also get the chance to feed and milk a cow and drive a pedal tractor. The program helps kids connect to agriculture by teaching them in an entertaining and interactive way.
This would be a great team building activity for your entire club or county. Little Hands on the Farm offers your club or county entertainment along with being involved with the best Fair in the nation, the great Iowa State Fair. The Iowa State Fair has been a proud tradition since 1854. It is the country’s most famous state fair and Iowa’s largest tourism event with well over 1 million visitors per year.

The 2015 Iowa State Fair is August 13-23. In order for the exhibit to run as smoothly as possible, it is necessary to have a minimum 30 volunteers at the exhibit at all times. Little Hands on the Farm is open daily from 9 a.m. to 8 p.m. and would need to be staffed from 8:30 a.m. to 8 p.m. each day. Each day is divided into three shifts. Volunteers would receive one admission ticket, one vehicle permit and a Little Hands on the Farm volunteer t-shirt.

Shifts are filling up quickly so if you would like further information on what days and shifts are still available, please contact me at Emily Wynn; 515. 401.1544; ebrewer@iowastatefair.org

(Feb23/Feb25) IACEC Legislative Day Information—Attn: Club Leaders
IACEC Invites 4-H’ers to join in their Legislative Day! The Iowa Association of County Extension Councils has set its legislative day for Wednesday, February 25, 2015. Youth staff members planning 4-H excursions to the Capitol are invited to join in this event. The day will start at the Wallace Building (just north of the Capitol) with registration and refreshments at 9:30 a.m. Participants will be briefed on the issues important to ISU Extension & Outreach and will be coached on how to talk with their legislators about the issues. Following the brief training, the group will proceed to the Capitol to visit with their legislators. Attendees are typically done by noon, allowing time for county and regional staff to plan tours of the Capitol, meals with their legislators, and/or visits to the nearby Historical Building and Iowa Judicial Branch (Supreme Court) building for their groups. You will find links to information about these additional opportunities on the IACEC website: http://www.iacec.info/inside-iacec-government-relations#Additional Activities.

All attendees are encouraged to wear red to make a bigger impact for ISUEO around the Capitol rotunda. Pre-register your group using the online form or by emailing IACEC Executive Director Terry Maloy. If registering via email, please make sure you include your county name, the names of all of your participants, and note that they are 4-H’ers. “30k for 30 years” – 4-H’ers for 4-H Campaign

The 2015 4-H’ers for 4-H Campaign is now underway! The State 4-H Council Finance Committee has made it their goal to raise $30,303.00 for Iowa 4-H’ers. Contributions raised through this campaign support the State 4-H Youth Conference, facility improvements at the Iowa 4-H Center, and financial aid for 4-H program fees and event registrations. A letter to club leaders is now available and more information can be found online.

Club Donation Forms and contributions can be sent directly to the Iowa 4-H Foundation or delivered to county offices by May 15. If you have a preference, please communicate it to your club leaders. Counties collecting
donations should use the County Summary Sheet to document each club’s gift. Each of those sheets can be found online.

Why support this campaign? Approximately one-third of the funds support the State 4-H Council program, which in turn provides the Iowa 4-H Youth Conference experience for your 8-12th grade 4-H’ers. Almost half of the funds are distributed back to 4-H members in the counties in the form of scholarships for out-of-county 4-H experiences and financial assistance to help cover program development fee costs.

There were 81 counties that participated in last year’s campaign. The State 4-H Council would like to see 100% participation. Last year’s winners are posted on our web page. Thank you in advance for supporting the State 4-H Council Finance Committee and their efforts “to make the best better!” (Albert Grunenwald, abgrunen@iastate.edu, 515-294-4780; Ashley Kinkade kinkadea@iastate.edu).
