Please return this form to via e-mail at ilf@iastate.edu, fax at (515) 294-9985 – attn John Lundvall or mail to John Lundvall at 2104 Agronomy Hall, Iowa State University, Ames, Iowa 50011-1010. If you have questions, please call John at (515) 294-5429.

The rainfall simulator will be scheduled according to how the event advances the goals of the Iowa Learning Farm Project. Permission to use simulator is up to the discretion of the team. The simulator could be available to for-profit organization, but there will be a charge to cover expenses. The team reserves the right to withdraw use if the approved educator is unable to make the event.
