Iowa State University Extension Mentoring Program
Evaluation by the Mentor

Name of the Mentor _____ Date _____

1. Did the mentoring training you received adequately prepare you to be a mentor? If not, what might be added to better prepare mentors in the future?

2. How frequently did you confer with your mentee? Was the time commitment too much, too little or just right? Please explain.

3. What would you consider to be the most important thing the mentee learned or gained as a result of the mentoring relationship?

4. What are the strengths of the mentoring program? Please list a minimum of three.

5. What could be done to improve the mentoring program? Please share at least one idea.
