Years enrolled in this project, including this year 1 Grade 4 Year 2006-07

Beginning of the year

For this project I would like to learn or do:

- 1 Complete a family citizenship project with my brother and sister
- 2 Do church and community citizenship
- 3 Do 4-H citizenship with my club

During the year

For this project I did these things:

- 1 My brother, sister, and I collected redeemable pop cans for money to purchase school supplies and a health kit to take to our church for missions.
- 2 We helped with Woodward grocery re-opening by making and serving popcorn.
- 3 Club citizenship included Adopt-a-Highway, prefair clean up, working in 4-H foodstand, and hosting exhibit building.

My favorite part of this project was: Making popcorn at re-opening of grocery store and taking notebook of citizenship to county fair.

During the year List recognition you received in the project.
(Examples: ribbons, certificates, your name in the paper, etc.)
