Eligibility Requirements and Rules for Use of Leased Horses

- A “Leased” horse is any horse that is not owned by the 4-Her’s or his/her immediate family (parents, siblings, guardians). Horses owned by distant family – aunts, uncles, cousins or grandparents – are considered leased horses.
- The **objective** of a leased horse project is to allow 4-Hers who do not own a horse to learn the skills of feeding, management, care and training of horses. Through this experience they also learn the skills of decision-making, information gathering, communication, responsibility and self-confidence.
- All horses, including leased horses, must be identified on a 4-H Horse Identification Form (4H 106c) in the ISU Extension county office by May 15. If a horse is to be shown before May 15, the signed lease agreement and identification form must be in the county office before the date of the show.
- Exhibitors must meet all requirements included in 4H 202.
- Animals identified as part of a 4-H project **cannot** also be identified or exhibited as an FFA project or vice versa.
- Leased horses are not eligible to exhibit in conformation (halter) classes because the 4-H’er did not select the animal from others based on its conformation. They are eligible to exhibit in halter showmanship, riding, and driving classes, because these classes are judged on the 4-Her’s ability to exhibit the animal, not on the quality of the animal.
- The 4-H’er agrees to provide a majority of the management, care, and training for this horse. This includes, but is not limited to, the management, proper feeding, grooming, exercising, healthy and veterinary expenses, farrier services, exhibitors’ fees, training, boarding, etc.
- The 4-H’er agrees to make all responsible efforts to keep the horse in safe stalls, pastures, or corrals, and to care for the horse as if he or she was the legal owner. The 4-H’er has the right to ride and exhibit this horse in all 4-H related activities.
- The 4-H’er is expected to manage and care for this horse at least from May 15 through the end of the exhibiting season (county fair, state fair, or Ak-Sar-Ben).
- If a 4-H’er leases a horse, that horse shall be the only (riding) horse the 4-H’er may identify as a 4-H project horse.
- Iowa 4-H reserves the right to disqualify leased horses of owners who have previously violated 4-H rules.

4-H’er: I hereby certify that I agree to the above rules and by signing this form I agree to follow the rules and policies set forth in the 4-H Guide to Equine Shows in Iowa (4H 511c).
