

2010 IOWA HORSE JUDGES' DIRECTORY

The judge's directory provides a list of potential judges for committees to consider when selecting judges. Listing in the directory should not be interpreted as proven judging ability, but rather as a statement that these judges have made a conscientious effort to improve.

Judges appearing on the list have met the following minimum requirements.

1. Received a minimum grade of 85% on practical judging classes and 80% on a written examination.
2. Attended a horse judge's certification clinic at least once every three years.
3. Completed an approved application form.
4. Exception: Judges who hold national breed judging cards and/or are approved 4-H judges from other states have completed the application form and have been approved by the state 4-H horse program committee.
5. A list of shows judged in 2009 can be found at www.extension.iastate.edu/livestock/horses

To use the directory:

1. Judges are listed as novice, intermediate or experienced. Experienced judges must have 5 years judging experience (judging at least 15 shows over those 5 years) or hold a national breed card and must submit 3 evaluations per year, with an average score of 8 out of 10. Intermediate judges have participated in the Horse Judges Certification Clinic, have judging experience, and have three reference letters. The novice judge has recently started judging and/or obtained the 4-H judges card. Note: Novice judges will need to apprentice judge with three experienced judges to advance to the intermediate level.
2. Show size indicates the size of show the judges are comfortable judging.
 - Sm Small Shows (classes of 15 horses or less)
 - Md Medium Shows (classes of 35 horses or less)
 - Lg Large Shows (classes of 35 horses or more)
3. Judges were asked to rate their experience/preference for judging by using the following categories. A is the most experienced and/or preferred classes, and F is the least experienced and/or preferred classes.

A = Most experienced/preferred class, extensive experience with judging classes	B = Class requirements well known, several experiences with judging classes	C = Familiar with class requirements, some experience with judging classes	D = Familiar with class requirements, a small amount of experience with judging classes	E = Somewhat familiar with class requirements, very little judging of these classes	F = Unfamiliar with class requirements – have not judged these classes
--	--	---	--	--	---

4. Judging team experience indicates the judge was on a 4-H/FFA or collegiate judging team.
5. A yes placed under willing to work with apprentice judges indicates a judge willing to work with a novice judge.
6. A yes placed under Ring Steward indicates a judge is willing to be a ring steward at a show..

For information about future Horse Judges' Seminars or being added to the directory, contact Dr. Peggy Miller-Auwerda (515) 294-5260, peggy@iastate.edu.
