

# Citizens Advisory Council 2009-2010 Membership

The Citizens Advisory Council (CAC) members are appointed by the Vice President for Extension and Outreach at Iowa State University. The Council includes approximately 35 members, each serving a three-year term. The Council meets twice yearly (January and June). CAC has been a key and consistent link between Extension Administration and the citizens of Iowa. The CAC members have shared the perspectives and perceptions of ISU Extension, and the Administration has clearly found these views of significant value.
