The intention of this 4-H Club Coupon Offer is for more 4-H Club members from across the state to have an opportunity to visit and enjoy their state 4-H camping center. To help inform them about the camp opportunities, and to aid them in feeling like this is their camp, we have the following requests of clubs that use the Club Coupon:

- Each club is asked to schedule in some time during their stay to volunteer about 2 hours of community service for the Iowa 4-H Center. Contact John Roosa about specific jobs.

OR

- Each club may choose to donate items from our camp wish list. A link to this list is posted on the top of our website's main page: www.iowa4hcamp.com.

AND

- The camp staff would appreciate time during your stay to talk to the club members about the Iowa 4-H Center's history, activities, camps, and Junior Counselor programs. This can be done during a wagon tour of the camp, weather permitting.
