

4-H is good for kids

4-H Cloverbud Goals

- Develop a positive self-concept
- Develop a love of learning
- Develop competencies in life skills for self-understanding, social interaction, decision making, learning to learn, and mastering physical skills
- Gain knowledge in sciences, literature, and the arts through hands-on learning
- Develop positive attitudes about learning
- Develop ongoing relationships with caring adults and older youth who serve as positive role models
- Explore family and community relationships
- Develop an understanding and appreciation for social and cultural differences

Iowa 4-H Youth Development is part of the Iowa State University Extension Service. Only in 4-H can kids experience such a wide-range of quality programs led by Extension staff and trained volunteers.

Cloverbuds

4-H FOR KIDS IN KINDERGARTEN—3RD GRADE

4-H is a **community** of **young people**
across **America** who are learning
leadership, citizenship and
life skills.

Cloverbuds – a special 4-H program for kids in kindergarten — 3rd grade

4-H Cloverbud Program

Kids all over Iowa learn, grow and have fun in the 4-H Cloverbud program. It is designed especially for kids in kindergarten - 3rd grade.

Young children have a special way of learning. 4-H Cloverbuds:

- appeals to a child's natural curiosity, high energy level and active learning style.
- lets kids try new things, learn new skills and express themselves.
- promotes creativity and discovery without emphasis on competition.
- helps kids develop skills that build confidence and positive self-esteem.

Membership

4-H welcomes boys and girls in grades kindergarten through 3rd grade from all backgrounds into Cloverbuds. The entire family can join in projects and activities.
