

Join Babysitter Referral Service

January 2009

Dear Parents,

Madison County ISU Extension would like to congratulate your child for successful completion of Babysitting Basics training, and we commend you for enrolling him or her in training that teaches safe and responsible babysitting practices.

Your child's safety is a top priority for us as well. For that reason, we do not release personal information to potential employers of babysitters. We continue to receive enquiries from those seeking trained babysitters, however, and have therefore decided to offer an alternative solution. We will collect a potential employer's contact information (in addition to info such as age and number of children) and email it to anyone who has: a) completed Babysitting Basics training, b) joined Madison County 4-H Babysitting Club, and c) completed and returned the parental consent form below. (Please return form to: **Madison County ISU Extension, 117 N John Wayne Dr, Winterset, IA 50273.**)

The decision to contact employers is completely at the discretion of your child and yourself, and you may remove your child from the contact list at any time. Please feel free to contact me with any questions you may have regarding the Babysitting Club or Referral Service.

Thank you,

Molly Allen

I would like to be included in Madison County Babysitting Club Babysitter Referral Service.
