ISU Extension Clover Kids is an exciting, developmentally appropriate program for first, second and third grade youth. Clover Kids emphasizes overall well-being by empowering young children with successful learning and positive social interaction through cooperative learning in noncompetitive environments. Children are involved in hands-on, experiential learning activities taught by ISU Extension staff and trained volunteers. Clover Kids is sponsored by Iowa State University Extension & Outreach in Boone County.

Additional registration forms are available at the Boone County Extension Office, 603 Story Street, Boone, IA 50036.

The fees for service will be used to off-set direct expenses and to support the County Extension Program.
