Iowa 4-H Animal Care and Management Disclosure Statement

Please print

County _____ Last Name _____ First Name _____

As a youth livestock producer, I understand that I have an obligation to be a responsible producer. This subjects every exhibit animal to all state and federal regulations involving proper drug usage.

We, the undersigned, certify that we have read, understand and will abide by all rules and regulations of the 4-H/FFA division of the Iowa State Fair. We agree to the condition that these entries (identified on this form) may be screened for violative residues and any foreign substances. Also, as a condition of entry, exhibitor agrees to a background check for any past disqualifications from other livestock shows. We certify that these animals have not received any non-approved drug(s), unless under the direction of a veterinarian. We further certify the information provided below is correct and accurate.

If violations are detected, appropriate state and federal authorities will be notified, and regulatory action can be expected. Also exhibitors will be subjected to penalties as determined by show management.

Date _____

Animal Identification (color, markings, gender)

Horse's name	Gender	Breed	Color Markings

Owner's/Exhibitor's Signature

Parent or Guardian's Signature

IOWA STATE UNIVERSITY
University Extension

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Many materials can be made available in alternative formats for ADA clients. To file a complaint of discrimination, write USDA, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call 202-720-5964.

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Jack Payne, Director, Cooperative Extension Service, Iowa State University of Science and Technology, Ames, Iowa.
