CASS COUNTY VOLLEYBALL TOURNAMENT RULES

Sunday, January 15, 2012

Here are the rules for the day:

Players may play on **one team only** (the final special teams game is an exception). Players are encouraged to be from one club. If a club does not have members in a certain age group, 4-H'ers from another club may play. Non 4-H'ers may play with one team only.

There is no maximum number of team members.

Teams must have a total of 9 players on the floor at all times. Non-4-H'ers must play in the representative age group. This must include:

3 adult leaders or parents of 4-H'ers (Maximum number),

3 senior/intermediates (7th – 12th grade),

3 juniors (3rd – 6th grade).

Teams with less than 9 players may play, but **cannot** advance.

Players must rotate. Every person who plays **must** serve. Players must alternate by age group when possible, substituting one adult for another adult, one junior for another junior, etc. Team captain is responsible for rotation.

Matches will be 2 out of 3 games with 30 points per game. Team must win by 2 points. If game 3 is the deciding game, it is called based on the score at when the group is out of time.

There is a 5 point maximum run per server.

45 minute time limit on each match. If a team has not shown after 15 minutes, they forfeit.

There will be no spiking and no overhand serving. Juniors may serve ahead of foul line. Net serves are allowed.

Players must wear dry gym shoes. You will be checked.

Each team must furnish a line judge (when they are not playing) and a scorekeeper.

Modified High School Girls Volleyball Rules will apply to all games. (Rally Scoring will apply)

Only team captain may address referee with complaints. **Referee has final word on all calls.**
