

PATTY JUDGE
SECRETARY OF AGRICULTURE

IOWA DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP

FEED and FERTILIZER BUREAU – AFLATOXIN WORKSHOP APRIL 19, 2006

❖ REQUEST FOR BLENDING POLICY FROM FDA

Letter from IDALS to FDA, this request is specific to the areas of Iowa subject to aflatoxin levels that would be of concern.

Sampling is conducted in those counties of Iowa.

Sample data is submitted to FDA – Division of Animal Feeds.

Upon receipt of Blending Policy from FDA, IDALS issues a letter explaining policy to feed manufacturers and grain warehouse operators and policy is posted on department web site.

❖ DAIRY – MILK SCREENING

❖ CONTINUED SAMPLING

Feed mills in affected counties are randomly sampled.
