RE: Johnson County 4-H Membership

We are very pleased to offer you this information to assist with membership efforts and/or club programming. For prospective new members, this list of clubs, leaders and meeting times will help you to find a 4-H club that will fit into your 4-H member's interests and schedule.

Joining 4-H is a very simple process. Just fill out the enrollment form and select project areas of interest to you from the Pick-A-Project Newspaper. Be sure to include the name and number code for the project area. You can add and extra project areas at any time up until May 15. Once you have completed the enrollment form, contact a club leader and find out when and where their next meeting will be held. Attend the meeting, give your enrollment form to the leader and begin your 4-H experience. Be sure to read through the publication "Quick Facts-To Get You On Track To 4-H Fun". Call the Extension Office if you have additional questions (337-2145).
