

**You're Invited to a Crop Fair**

**“Better Information for a more Profitable Operation”**

## **Wall Lake Crop Fair**

February 24, 2011

9:00 a.m.— 1:00 p.m.

**Wall Lake Community Center (209 West 2nd Street)  
Wall Lake, Iowa**

Come to Wall Lake to hear from top experts about some of the newest developments in agriculture, courtesy of Crop Production Services, BASF, Monsanto, Iowa State University Extension, the Iowa Corn Promotion Board, and the Iowa Corn Growers Association.

This **free** crop fair is designed to give you direct access to timely information that can help make your operation more profitable.
