

Clover Kids For Grades K-3

Why Clover Kids?

To give children in grade K-3 an opportunity to:

- Participate in activities uniquely suited to their development
- Grow and learn in a non-competitive environment
- Participate in hands-on activities
- Learn appropriate life skills
- Have fun
- Meet new friends

and justice for all . . .

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Many materials can be made available in alternative formats for ADA clients. To file a complaint of discrimination, write USDA, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call 202-720-5964.

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Stanley R. Johnson, Director, Cooperative Extension Service, Iowa State University of Science and Technology, Ames, Iowa.

A program where children have fun exploring their world.

What is Clover Kids?

Clover Kids is a 4-H youth program for grades K-3 that focuses on doing and learning in small groups. Children explore areas of healthy living, earth environment, citizenship, plants and animals, computer skills, science and technology, personality development, and expressive arts.

Clover Kids learn through hands-on activities suited to their developmental age. The primary goal of the Clover Kids program is to promote children's healthy development—mentally, physically, socially, and emotionally. The youth and adult volunteers have fun exploring their world through doing, reflecting and applying. Clover Kids takes an experiential education approach to learning that encourages creativity and play.

Meetings

Clover Kids meet in groups, have fun, meet new friends, develop positive attitudes, and learn life skills in a cooperative environment.

Clover Kids meetings can be held once a month or for a short time period, like once a week for 6 to 8 weeks. It is up to each group leader's discretion as to when to meet as a group. Cost to join is \$10 for the year.

Clover Kids Leaders

This program is made possible through the leadership of trained adult volunteers who are screened and approved through the Iowa Child Protection Policy. Adults volunteer their time to work with youth in your community. Clover Kids is a part of the Woodbury County Extension Youth Development program.

Indicating your interest *today* will assist us in starting a Clover Kids club in your area/town.

If your family is interested in learning more about 4-H Clover Kids or if you would like to volunteer as a Clover Kids leader, please fill out the information below and send to Woodbury County Extension.
