

We are so excited to learn that your family is interested in the Wapello County 4-H program! Enclosed are some informational materials that explain what 4-H is all about. Below is a list of current Wapello County 4-H clubs with meeting information. We encourage you to contact the volunteer club leaders to find out more information about each club, what community service projects they are active in, and other activities that they do throughout the year.

We invite kindergarten through 3rd grade students to become a Clover Kid, clubs that offer a Clover Kids Club are identified with an (*)

All youth are welcome to join any club!

First Lego League	Gina Martin	682-5491	Oct-Dec Tues & Sunday

Our primary enrollment period is from September to November; however, youth are welcome to enroll anytime. There is a one time \$30 enrollment fee per child. Members can be enrolled into more than one club. Currently there is no enrollment fee for Clover Kids. After your enrollment is complete you will receive the Wapello County Extension's monthly newsletter, and you will be eligible to exhibit in the Wapello County 4-H Expo that is held each July at Bridge View Center in Ottumwa in addition to the benefits of the monthly 4-H meetings. We encourage you to visit with a few club leaders to decide which club is the best fit for your family. Also, please visit the 4-H website at <http://www.extension.iastate.edu/4h/> for additional information.

I invite you to contact me anytime at 641-682-5491. I would be happy to help you learn how your family can take advantage of all that the Wapello County 4-H program has to offer!

Sincerely,

Gina Martin
County Youth Coordinator
