

Clay County 4-H Fund and Endowment Financial Assistance for Youth

The Clay County 4-H Fund and Endowment Board has approved funds for use by youth who need financial assistance to participate in the Iowa Youth and 4-H program. These funds are intended to provide an opportunity for youth who otherwise would be financially unable to participate in events, activities and individual or group projects at the county, area or state level.

How to apply

The following guidelines have been established for applying for financial assistance.

1. Clay County youth who are potential participants in Extension youth program or programs recognized by the 4-H Youth Development programs are eligible.
2. An Extension staff member or adult volunteer may submit an application using 4-H FAY-0404b-CC.
3. Participants should ideally bear some portion of the activity cost. A minimum of \$10 has been recommended. It has been our experience that those who pay a portion of the cost to participate in an event do so with more positive attitude.
4. The Clay County 4-H Fund and Endowment has a limited amount of money for financial assistance. Funds will be allocated among as many different individuals as possible. Therefore, individuals may request assistance one time per year.
5. March 1, June 1, September 1, and December 1 are the deadlines for submitting requests to the Clay County Extension Office. This deadline will permit a careful analysis of requests and timely allocation of funds.
6. Please include a statement by 4-H leader or parent explaining the financial situation of the family and other pertinent information. No funding will be provided without this financial statement.
7. Use a 4-H Financial Assistance Application for Youth Form (4-H-FAY-0404b-CC), available from the Clay County Extension Office.
