

4-H Fundraising Activity Request Form

Reference: Financial Guidelines for Iowa 4-H Groups – publication 4H-71-D-LDR Excerpt #7. “All fund-raising activities should have prior review from the County Extension Education Director. All money raised using the 4-H name must only be used for 4-H activities. Because these funds belong to a club/group that is publicly accountable, the funds must not be used in any way to enrich individuals. This means that money may not be given out to individual club/group members or others, but must be used to pay for educational programs, activities, workshops, or 4-H club/group supplies.”
