

## The ISU Extension GIS Geospatial Technology Program

will offer a series of hands-on short courses in geographic information systems in summer/fall 2011 and spring 2012. All courses will be held at the Iowa State University Extension Community and Economic Development offices at the ISU Research Park in Ames.

Fees include course tutorials, handouts, snacks and beverages. Lodging and meals are not included. Participants are eligible to receive continuing education units (CEUs), noncredit units awarded at a rate of one CEU for every 10 hours of classroom time. There is an additional \$10 fee per course for CEUs.

Advance registration is required and enrollment is limited to 12 participants per course. Enrollment is not guaranteed unless registration is accompanied by payment in full. Individuals receive a 10 percent discount if enrolled in two or more courses. If two or more people from the same organization register for the same course(s) in this series, each registrant also will receive a 10 percent discount. (Two or more people from the same organization enrolled in two or more courses receive a 20 percent discount.) An organization may reserve all 12 seats for a particular course at a 15 percent discount.

## Customized Courses

We offer customized training at your site or ours. If your organization has a group that could benefit from our training (either customized or our standard classes), please contact Alan Jensen to discuss options.

... and justice for all

The US Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at 202-720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410, or call 800-795-3272 (voice) or 202-720-6382 (TDD).
