## **Woodbury County Youth Beef Team**

Are you interested in improving your communication skills and leadership experience while earning credits toward prizes? Then the Woodbury County Youth Beef Team is for you! You do not need to be from a farm or raise or show beef animals to participate in this group. Our mission is simply to promote beef as a healthy selection in a consumer's daily diet and to answer consumer questions at promotion events. The Woodbury County Youth Beef Team promotes beef during the Woodbury County Fair at two key Woodbury County Cattlemen events – the Bucket Calf competition (Thursday evening) and the Grill-Off (Saturday morning). What does it take to be a part of this group? Once an one-hour training is completed, the member can create, attend and participate in programs that earn the member points. It's as easy as this - A SPEECH ON EATING BEEF TO YOUR 4-H CLUB EARNS YOU POINTS! There are two meetings each year – one to train (and training refreshers for current members) and one on Wednesday at the fair to organize the two activities. The next training will take place in June and we look forward to your participation! Please contact Gwyn Schramm at 712-870-9819 or by e-mail at [grschr@gmail.com](mailto:grschr@gmail.com) for more information.
