Woodbury County 4-H Foundation Fun Walk

The Woodbury County 4-H Foundation is hosting a 4-H Fun Walk to be held Sunday, September 26, at Bacon Creek Park. Registration begins at noon with the walk beginning at 1:00 p.m. The 5 kilometer course starts at Shelter 1 and ends at Shelter 1 completing a lap around Bacon Creek Lake. Registration is \$20 per person which includes a t-shirt and prize registration. Teams of 10 or more get a 10% discount. Participants may get donations to cover the \$20 entry fee and support the Woodbury County 4-H Foundation. The person who collects the most donations wins a prize. All proceeds benefit the Woodbury County 4-H Foundation. The goal of the Woodbury County 4-H Foundation is to raise money to invest so that more youth may participate in camps, trips, conferences, receive scholarships, and gain confidence through leadership activities and communication events.

For additional information see enclosed registration form and donation sheet.

Enrollment Information: New for 2010-2011

Woodbury County will be one of the pilot counties for 4-H members and volunteers to enroll in 4-H online. This will help 4-H leaders with having an update of members in their clubs and having member information on hand. Training for Extension staff will be held the end of September. As we receive information, we will be passed on that information to your 4-H Leader.

4-H provides many opportunities for youth. With most opportunities whether it's school activities, sports and other youth programs there are fees. 4-H is no exception and to help keep 4-H one of the top youth organizations the enrollment fee has increased to \$30. 4-H'ers need only to pay the fee once a year and for the one year fee the 4-H'er can enroll in a 4-H Club, a specialized club like a cooking club and shooting sports.

Pioneer Grant Brochure Information on Web

Pioneer Hi-Bred International is offering Pioneer Community Improvement Grants through the Iowa 4-H Foundation again this year. Clubs are encouraged to apply for "seed money" to help them get started on community projects. Applications for grants are due in the county office on December 1, 2010. The brochure, information, and application are on the web at:

<http://www.extension.iastate.edu/4H/PioneerGrants.html>

The website also lists other grant opportunities.

Celebrate National 4-H Week October 3-9, 2010

- Tell your friends about the fun you have in 4-H.
- Invite your friends to the fair and let them see the fun you have in 4-H

Prudential Spirit of Community Awards

The Prudential Spirit of Community Awards honor young people in middle level and high school grades for outstanding volunteer service to their communities. Created in 1995 by Prudential Financial in partnership with the National Association of Secondary School Principals (NASSP), the awards constitute the United States' largest youth recognition program based solely on volunteering.

Iowa 4-H has been well represented in this program, and each year several state award winners are Iowa 4-H members. Information and applications are available at www.prudential.com/spirit or by calling 1-877-525-8491. Eligible 4-H'ers must complete their application forms by October 31, 2010.

Woodbury County will be one of the pilot counties for 4-H members and volunteers to enroll in 4-H online. This will help 4-H leaders with having an update of members in their clubs and having member information on hand. Training for Extension staff will be held the end of September. From the Foundation...

The Woodbury County 4-H Foundation would like to thank all of the clubs who made birdhouses for the silent auction held during the fair. Thank you also to Denise Knaack for donating the afghan and to the Marina Inn for donating a one-night stay in the Ambassador Suite and brunch for two at Kahill's. Thanks as well to the people who bid on the auction items.

The total money raised was \$1,210 with \$510 going back out to the clubs who made the birdhouses. (The money raised from the afghan and Marina Inn suite went entirely to the Foundation.) Participating clubs can expect to receive their check after September 13. \$510 went in the "Fund the Fun" fund. Details on how to apply for "Fund the Fun" funds coming soon.

Fall Volunteer Training for Club Teams of Youth and Adults

Woodbury's 4-H Training is schedule for:
Thursday, November 4, 7:00 p.m. (location to be determined, somewhere in Merville/County)
Saturday, November 6, 9:30 am (location to be determined, somewhere in Sioux City/Sergeant Bluff)

Change is in the air and our fall 4-H volunteer training is no exception! The plan for the fall 2010 4-H volunteer training includes adult volunteers teaming up with youth leaders to learn about the new 4-H publication and project material delivery system. Each adult volunteer will be asked to bring at least one youth leader to the training with them. There will be activities that can be used by club leaders and officers at club meetings to help members and families quickly and easily access resources to learn about their projects.

This past spring, a team of county youth coordinators and youth program specialists redesigned the project material delivery system to provide new learning adventures for youth, update resources and ways to learn about project areas. While the number of projects has been reduced, the types of learning activities available in each project has broadened and increased.

4-H youth program specialists and student interns have been working throughout the spring and summer to create "hot sheets" for each project area. The hot sheets are one page documents containing project goals; communication, leadership, citizenship, and exhibit ideas for all ages of youth; record keeping resources and educational resources, including website links for additional information. With the new system, 4-H members can download the hot sheets immediately from the Iowa 4-H website and begin exploring that project area of interest right away. Members without internet access can obtain the hot sheets from their county extension office or from their club leader.

This fall there will be more information and a registration form for your club's team to attend the fall 2010 4-H Volunteer Training.

HELPFUL HINTS FOR A SUCCESSFUL YEAR!

Next year's Woodbury County Fair will be held August 3-7, 2011. It's not too early to start planning your goals and preparing for next year's fair. Here is some important information to help you get a good start on the new 4-H year!

- ✓ **Attend Club Meetings** If you missed a meeting you will be missing important information to help you throughout the 4-H year and for the Fair. Be a part of your club volunteer for committees or help put chairs away and attend activities. If you are an officer it's your responsibility to take that office seriously.
- ✓ **Workshops** Volunteers and staff work hard to have helpful and fun workshops. These workshops are scheduled throughout the year. Imagine how disappointed we are when only a few 4-H'ers show interest or when we have to cancel workshops due to low interest.
- ✓ **4-H Scene** Due dates and deadlines are never kept a secret. The due dates and deadlines can be found in the 4-H Scene. The 4-H Scene newsletter is sent to every 4-H family and is also available online. You and your family need to have a system that works for you as a reminder.
- ✓ **Woodbury County Fair book** Keep this year's fair book as a reference as you set your project goals for next year. The 2011 fair book will be out next May. The 2010 fair book can also be found online at the Woodbury County Fair website at: www.woodburycountyfair.com If you are interested in a project area, thoroughly read the rules and guidelines for that department. If there is a website listed, go to that site and look over the information.
- ✓ **Websites** The Woodbury County Extension website is: <http://www.extension.iastate.edu/woodbury/> and click on Kids and Teens/4-H or check out the State 4-H Website at: <http://www.extension.iastate.edu/4H/> both these sites are extremely helpful. By attending your 4-H meetings, reading the 4-H Scene, reading the fair book, thoroughly reading the rules in the department you will be exhibiting and attending workshops you will have a successful 4-H year!

4-H Recognition Team Membership

The 4-H Recognition team consists of both adults and youth who help plan recognition, workshops and fun activities for 4-H families. It is a fun and energetic group. This is a “working” committee; if you don’t plan to attend meetings or help with activities this committee is NOT for you! *The first meeting of the new 4-H year will be held Wednesday, October 27, 6:30 pm at the Woodbury County Extension office with pizza for supper!*

Since this is the beginning of the new 4-H year, we need to start planning events/workshops for 2010-2011. Each 4-H club can have a representative on the 4-H Recognition Team – either a youth or an adult (the representatives can be a parent/child or 4-H Leader/4-H'er). It is up to each club on how they select a member to be on the 4-H Recognition Team. Whoever is chosen MUST attend meetings.

The Recognition Team develops new awards & recognition; helps plan the 4-H Recognition Event and other 4-H Events. Both youth and adults work together! Members of the 4-H Recognition Team should have an understanding of the County 4-H Awards process, willing to work at events, attend meetings and most important give your ideas and suggestions to make the Woodbury 4-H program better!

Please select your representative and alternate by October 15.

Operation: Military Kids is offering to pay the program development fee for any 4-H member whose parent(s) is in the military- includes Guard, Reserve, Active and all service branches. Please make a note on the enrollment form indicating that the 4-H'ers parent(s) are in the military.
