Saltimbanco - from the Italian "saltare in banco," which literally means "to jump on a bench" explores the urban experience in all its myriad forms. Between whirlwind and lull, prowess and poetry, Saltimbanco takes spectators on an allegorical and acrobatic journey into the heart of the city. Saltimbanco is a Cirque du Soleil signature show inspired by the urban fabric of the metropolis and its colorful inhabitants. Decidedly baroque in its visual-vocabulary, the show's eclectic cast of characters draws spectators into a fanciful, dreamlike world, an imaginary city where diversity is a cause for hope.
