

The Cloverleaf 4-H club had a very successful and fun 2010-2011 year. We always start our year off by electing new officers in the fall and by selling calendars of school events as a fundraiser. Also in the fall, our club assists the Lions Club with their annual breakfast during the weekend of Thunder in the Sand. The girls bus the tables and help out in the kitchen. In October, our club goes "Haunted House Hopping" which is always a lot of scary fun. For Christmas, our club has a gift exchange and we usually go out to a restaurant to eat. In the spring, in May, we bake cookies and donate them to the local Vacation Bible Schools and we also hold our Mother's Day banquet. Again in May, we assist the Lions Club with their breakfast during the Hog Wild Rodeo weekend. In July, our members participate in the Louisa County Fair in many different project areas. Our members show livestock and have many static exhibit projects. This past year, our club received second place for booth decoration and second place for our Share the Fun Skit. We were able to travel to the State Fair this year and perform our skit there, also. Many of our members also showed livestock and had exhibits make it to the State Fair. One of our members, Megan P, was also voted the Louisa County 4-H queen this year at the county fair. Our members for the upcoming year include: Kenzie G, President; Megan P, Vice President; Brooklyn M, Secretary; Tori J, Treasurer; Kelsey P, Reporter; Claire H, Photographer; Laura M, Historian; Kortney O, Communications Officer; Lizzie D; Emily D; Sarah T; Kelli R; Jena G; Anna H; Gracie M; Taylor H; and Kayla B. Our leaders are Sara Griffin and Dayle Pretz. We are looking forward to a fun, exciting and successful 2011-2012 4-H year!
