

## Columbus City Wildcats

Our group has had a busy year. We ended 2010 with our pot-luck Christmas party. We worked at the Cattlemen's Supper in February bussing tables. We poured a cement pad at the fair grounds for the scale and helped with the annual clean up. Our group performed a skit in the "Share the Fun" at family night at the fair. We placed first and won \$250 and proceeded on to perform at the state fair. We also performed our skit at the Columbus High School Homecoming pep-rally.
