The posters will then be displayed at the fair. Clover Kids will not conference with a judge for the 4-H Poster Exhibition. Topics for the posters include:

-Join 4-H
-Clover Kids is…
-Washington County Fair

Great Gardeners' Fest

All Clover Kids received two packets of seeds, one vegetable packet and one flower packet. Seed packets were distributed through your Clover Kid leaders. Along with the packets of seeds, you were given a journal to keep track of your plants' progress. During the Clover Kids Great Gardeners' Fest on *Monday, July 20 at 5:30 p.m.* you will bring either the flower you grew or a vegetable from the vegetable plant you grew. We will have you come up in small groups and have a few of you talk about your green thumb experiences.

Be sure to look over the Clover Kids opportunities at the 2009 Washington County Fair. You received a list of opportunities in the mail in April. We know some of you are meeting with mentors, creating, crafting, and preparing for the fair. Good luck!
