

Club Judging Schedule

Static (Non-Livestock) Exhibit Judging in Clover Hall
Tuesday, July 7, 2009

- Each club is assigned a conference judging time. **4-Hers should arrive at Clover Hall 15 minutes prior to the start of their club's judging time** in order to get checked in.
 - These club times serve to break up the traffic and allow for a smoother morning. If you have conflicts during the morning, you may come when it best suits your family. **Please keep in mind that there is no guarantee that you will get in to see a judge immediately.** You may have to wait in line to see the judge(s)—please plan accordingly.
 - If you plan to bring an excessively large exhibit, please let us know ahead of time so we can best accommodate you.
 - **If you have several exhibits, please come early in the day** to insure that you will have time to get them all judged. The times listed below are a guideline of suggested times, but please plan accordingly to allow yourself enough time to have all of your exhibits judged.
 - The judges will be finished judging and have their lunch break at 12:30. Therefore, **all 4-Hers must be entered and in the judging process by 11:30 am.**
 - Following the lunch break, **Clover Hall will be closed** for the judges to make their state fair decisions. During this time, no 4-Hers, parents, or club leaders are allowed in the building. Clover Hall will re-open around 2:00 pm, or whenever the judges have finished their selection.
