Enclosed in this newsletter you will find an evaluation that I hope each 4-H and FFA family will take the time to fill out and send back. Your feedback, whether good or bad, is greatly appreciated as we continue to work to make 4-H/FFA and the Fayette County Fair better!

YOUTH DAIRY CLASSIC

September: 18th Fayette County Fairgrounds in West Union

This is a great opportunity for 4-H'ers and FFA members to show their dairy project one last time before the show season comes to an end. Any youth between the ages of 9-19 is eligible to show. We have no geographic limits and welcome everyone.

We are all about the youth at this dairy show! We want to ensure the best learning environment by providing free awards of growth, reproduction, and production. We will be having small workshops the night before the show to provide exhibitors the option of learning how to clip their own animals, the steps to producing a professional looking top line, and how to excel in the ring with showmanship!

If you have any questions or want more information, please feel free to contact Katie Steinlage, 563-422-0190. Rules and entry forms will be located on the Allamakee County 4-H Extension website.

REGIONAL SESS EVENT TO BE HELD SEPTEMBER 19
