

## Zoo-sertive Alternatives

---

Instead of using Toobeez, use one of the following and create a table top version for 4-6 players:

- Tinker Toys
- Legos/Duplos
- Kinnex
- Lincoln Logs
- Marshmallows and pretzel sticks
- Various wooden blocks
- Multi-colored straws with marshmallows
- Corn-based packing peanuts with a wet sponge
- Mr. Potato Heads

For a larger version use pool noodles and painters tape (will peel off easier than regular masking tape).

Consider using an abstract drawing or painting to be replicated by the group.

For a completely different activity, try *Gridlock* by Jim Cain and Barry Jolliff, [Teamwork and Teamplay](#), p. 103.
