

## Leader Interview

Before the next session, interview someone you think of as a leader. You may use the following questions or create some of your own.

- How long have you been a leader in this community? What leadership roles do you have currently? What leadership roles have you had in the past?
- What did you need to do to get others to see you as a leader?
- How has being a leader changed you?
- What are the biggest communication problems you face as a leader?
- What is the best tip you have for helping others to make good decisions?
- What are your fears about being looked to as a leader?
- What stresses do you face as a leader? How do you manage them?
- What's the best advice anyone has ever given you or you have read about being a leader?
- What techniques have helped you be a better leader?
- How did you learn to be a leader?
- Other questions
