

**RICOCCHET** is an eleven-week middle school leadership initiative sponsored by ISU Extension 4-H Youth Development programs and being piloted this fall with youth in your school district.

**RICOCCHET** means moving lively and energetically with some level of unpredictability.

**RICOCCHET** is like middle school students finding their place in the world around them and trying on many different roles.

**RICOCCHET** is often how leadership opportunities come to us — we need to be prepared!

**RICOCCHET** is similar to the way that each of us has our own path and our own style of leadership.
