Iowa 4-H Pet Project

Regulations Pertaining to County, State and Interstate Shows

Age of exhibitors

1. To be eligible for a state or interstate show, a 4-H'er must have completed 5th grade **prior to the event** unless a particular show is more restrictive.
2. A 4-H'er becomes ineligible to exhibit beyond the county level upon completion of the calendar year of high school graduation. Note: In the event that a 4-H'er has dropped out of high school, the 4-H'er is only eligible to exhibit livestock through the calendar year that his/her class graduated.

Ownership

All pets must be owned by and identified to the individual 4-H'er. Pets changing ownership after being identified as a project are ineligible to be exhibited as 4-H poultry for that 4-H year.

Identification

All pets in your project may be identified, however, fair exhibitors are limited to two per class (and must be different specie) at the Kossuth County Fair.

Pets identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

Pet projects must be identified by May 15.

Special Note

Pets entered in the pet classes at the fair may not be entered in the 4-H pet show.

Filing your ID sheet:

Return white copy to your county Extension office by May 15. Retain blue copy for your use.
