Iowa 4-H Rabbit Project

Regulations Pertaining to County, State and Interstate Shows

Age of exhibitors

1. To be eligible for a state or interstate show, a 4-H'er must have completed 5th grade **prior to the event** unless a particular show is more restrictive.
2. A 4-H'er becomes ineligible to exhibit beyond the county level upon completion of the calendar year of high school graduation. Note: In the event that a 4-H'er has dropped out of high school, the 4-H'er is only eligible to exhibit livestock through the calendar year that his/her class graduated.

Ownership

All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved the papers must either be in the 4-H'ers name or show a logical family relationship. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

Exhibitor may offer one ribbon for sale in the 4-H/FFA Fair Ribbon Auction.

Identification

All rabbits in your project may be identified; however, fair exhibitors are limited to two entries per class at the Kossuth County Fair. To be eligible for entry in the State Fair rabbits must be tattooed in the left ear.

Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

Additional litters may be reported after their birth if the doe was identified as a 4-H project by May 15. Only litters born after May 15 will be eligible to show at the current fair.

Special Note

Each rabbit can only be entered in one class. Rabbits entered in the rabbit classes may not be entered in the pet show.

Filing your ID sheet:

Return white copy to your county Extension office by May 15. Retain blue copy for your use.
