**RE:** FY09 Partnership Share

Iowa State University and County Extension Councils have approved the FY09-FY11 Partnership Agreement beginning July 1, 2008 (FY09). Through the partnership agreement, county councils will provide citizens with access to ISU resources—research, professional staff, educational programs and curricula.

The average increase is 5.4%. Variables that effect the final calculation includes:

- Change in county valuation
- Increase in maximum tax allowed
- Number of field specialist in all 100 counties
- County's revenue generation in relation to all 100 counties revenue generation
- Maximum amount a county will pay @\$90,000

The spreadsheet which provides the FY09 Partnership Summary and FY09 County Valuations may be found on the Extension Finance Website:
