

Do you wonder about fertilizer for your plants on the patio, how short should you cut the lawn, when is a good time to transplant bulbs and other important garden questions?

The ISU Hortline can answer many horticulture questions.

Call 515-294-3108 for information on lawn, garden, and landscape plant questions and receive expert advice from ISU Extension staff. The hours are 10am to noon and 1-4:30pm, Monday through Friday

Also available is Hortline Online. To contact the Hortline via e-mail, send your question to hortline@iastate.edu
