MASTER GARDENER SUMMER SESSION REGISTER NOW!

Join us July 11 and 12, 2008 on the campus of Iowa State University for two action-packed, fun-filled, educational days as the Iowa Master Gardener Program hosts the first Summer Session. This intensive 2-day event will feature a hands-on approach with plant examples to study and identify. Investigate plant diseases, take a tree scavenger hunt on campus and learn how to maximize your volunteer service as a Master Gardener. The program will close with intriguing insights from keynote speaker John Ball with his program entitled, Diagnostics for Master Gardeners, Its not All CSI. The program will be held rain or shine.

Visit the Iowa Master Gardener website for registration information
