Iowa State University, Scott County Extension is pleased to match our quality, inquiry-based science curriculum and teaching kits to the Davenport Community School District's elementary standards and benchmarks for each grade level. We have resources to support your classroom experiences!

1. Find your grade level on the chart below.
2. Locate the DCS science unit you are teaching.
3. Note the names of the curricula and teaching kits that we have available to support your classroom experiences.
4. Hit the back button on your internet browser and click on the name of the curriculum that you would like to know more about.
5. To find out how to reserve or check out these free materials, hit the back button on your internet browser and click on Frequently Asked Questions.

For more information, technical assistance or to preview materials, please contact our office at 563-359-7577 or e-mail jb主@iastate.edu or jmbecker@iastate.edu. We look forward to serving you and your students!
