Trained 4-H volunteers are again offering archery and air rifle activities. This shooting sport group meets every other Friday. There is an activity fee of \$0.50 per discipline each time. Learn about the equipment, safe handling, and sportsmanship. A parent must attend with their 4-H'er. For Story County 4-H SESS questions, contact Mary at mwilkins@iastate.edu or 515-382-6551. Iowa 4-H Shooting Sports website: <https://www.extension.iastate.edu/4h/SESS/shootingsports.html>

*** NOTICE: PRICE CHANGE TO VERIFY MARKET BEEF ANIMALS FOR IOWA STATE FAIR AND/OR AKSARBEN

For the market beef weigh-in on December 20: The fee to nominate each market beef animal for the state fair will be \$5.00 AND the fee to nominate each market beef animal for Aksarben will be \$5.00. So if one animal is nominated for the Iowa State Fair and Aksarben, then the fee for that animal will be \$10. This is a change as of 11-19-08. The nomination processes are being handled separately. This is the only noted change for the December 20 weigh-in.

DECEMBER 20 – BEEF WEIGH-IN FOR COUNTY FAIR (PLUS VERIFICATION FOR STATE FAIR AND AKSARBEN)

Saturday, December 20 at Story County Fairgrounds from 8 am to 12 noon. If unable to attend, then contact Mary to make arrangements to attend another beef weigh-in.

- **Market beef animals you want eligible for exhibition at the Story County Fair** need to be weighed, tagged, and identified on December 20. You will also want to identify if the animal is Story County Produce (Was it born in Story County from a cow owned by a Story County resident?) When you make your county fair entry in June, then you will have the option to exhibit your animal in the Story County Produce class.
- **Second year bottle bucket calves that might be exhibited in a market class at the Story County Fair** also must be weighed, tagged, and identified on December 20. These calves that don't come to the weigh-in will not be eligible for exhibition in the second year bottle bucket market class or any other market beef class at the Story County Fair.
- **Those that plan to exhibit a pen of feeder cattle at the Story County Fair** are able to select one of those feeder calves for the carcass contest. Any animal from your feeder pen that you want eligible for the carcass contest must be weighed, tagged, and identified on December 20. All feeder cattle can come to the weigh-in. 3-5 head is a pen of feeder cattle. This project should begin by January 1.
- **Any market beef animal you want eligible for the IOWA STATE FAIR and/or AKSARBEN** needs to complete the verification process on December 20. The animal will be weighed and tagged. A retinal image will be collected for state fair. For Aksarben, a dna hair sample will be collected. There will be a fee for each animal verified for the state fair and/or Aksarben. *******THE FEE WILL BE \$5.00 PER HEAD FOR STATE FAIR AND \$5.00 PER HEAD FOR AKSARBEN (no other fees apply to the December 20 weigh-in). Exhibitor and parent signatures are required. If the parent and/or exhibitor is unable to be present with their animal at the weigh-in, then a waiver form needs to be signed and brought with the animal.** The waivers are available at the Extension office.
- **Regarding breed steers for state fair and Aksarben:** a legible tattoo needs to be in the ear (in the left ear because the tag will go in the right ear). The breed, tattoo and sire name or registration number must be recorded on the verification form. This information should be brought with you to the weigh-in. If this information is not on the identification/verification form by January 15, then the animal will be shown as a crossbreed.

All senior 4-Hers should consider joining the 4-H State Council. If you are interested, the process is to submit an application, be interviewed, then hope you make it! We went through the process this past spring and were selected to be a part of the 2008-2009 Iowa 4-H State Council. As members of State Council, we are involved with lots of activities going on in the State of Iowa. We have selected the 2009 State Conference theme. It will be "Voyage to Greatness". The Conference will be held at Iowa State University, June 28-July 2, 2009. We are so excited to start planning and would love to see many Story County 4-H members and their friends there! You don't have to be a 4-H member to attend. We have also started coming up with fundraising ideas and new things to incorporate into 4-Hers for 4-H. Do you have an idea you'd like to share? Bring it! - Molly & Kali

Also, the 4-H Central Area Council (CAC), representing about eight central Iowa counties, had its first retreat last weekend. Anyone interested in being a part of this can talk to Molly or Mary Wilkins - no application needed.

IMPORTANT LIVESTOCK INFORMATION – USDA MANDATORY COOL (COUNTRY OF ORIGIN) LIVESTOCK

The USDA is preparing for the mandatory COOL (Country of Origin Labeling) that goes into effect September 30, 2008. There is an excellent website for those wanting to know more details on the Iowa Beef Center's webpage at, <http://www.iowabeefcenter.org/content/COOL.htm>. **What 4-H'ers Need to Do:** The Iowa COOL Coalition has come up with a simple affidavit that can work for all species of livestock (beef, sheep, swine, poultry, goat). This affidavit is located at, <http://www.iowabeefcenter.org/content/COOL/COOL%20Forms.doc>. Page 1 explains the steps needed to be taken as well as example documents that can be used for an audit trail. Page 2 is the actual affidavit.

- **4-H'ers who raise their own livestock** for their projects need to fill this affidavit out and keep it on file for a minimum of two years. In the case of an audit, 4-H'ers can provide authorities with this affidavit along with other documents listed at the bottom of page 1 of the affidavit document (birth records (calving report, PigChamp, PigTales, etc.), purchase/sales receipts, etc.)
- **4-H'ers who purchase their livestock from others** MUST have the producer fill out the affidavit, give it to the 4-H'er, and the 4-H'er should keep the affidavit on file for a minimum of two years. For example, a 4-H'er goes to buy his steer from a producer. The 4-H'er needs the producer (seller) to fill out and sign the affidavit.

4-H MILLION TREES PROJECT

4-H clubs are invited to participate in the 4-H Million Trees (4HMT) project. Members of the Belmont and Pacifica (California) 4-H Clubs launched the 4HMT project, a large-scale service-learning project with the goal to plant 1,000,000 trees across the United States to beautify America, absorb atmospheric carbon dioxide, and combat global climate change. The project founders hope that every one of the approximately 90,000 4-H clubs and units in the U.S. will participate in this community service, and plant at least a dozen native trees in their areas during the current 4-H year. They hope that clubs will accept their invitation and adopt the project so members can enjoy the satisfaction of joining with millions of fellow 4-Hers to make a big difference in the world. 4HMT is supported by National 4-H Headquarters and the Arbor Day Foundation. To learn more about 4HMT, or to register as a participating club, visit the 4HMT web site at <http://www.4hmilliontrees.org/>
